TECH GROUP

Since its establishment in 2003, Tech Group has grown into a vertically integrated multi-discipline construction and industrial company with a leading position in its markets.

The Group has businesses in various contracting disciplines such as piling and foundations, contracting, ready-mix concrete, electro mechanical works, steel fabrication, aluminium and glass, interior and joinery works, concrete blocks and premium quality petroleum, bitumen and bituminous products.

Tech Group adheres to the highest quality, health, safety and environment standards with most of its businesses achieving ISO 9001, ISO 14001 and OHAS 18001 certifications.

Tech Group comprises of the following core companies:

Tech Construction

Tech Engineering

Tech Foundations

Tech AluGlass

Tech Remix

Tech Blocks

Tech Wood

Tech Steel

Tech Petroleum

Associate Businesses:

TG Properties

TG Ecosix Holding

GROWTH

In 2006, Tech Group launched its expansion with the establishment of key verticals in the construction business.

Significant investments were made in setting up new businesses, manufacturing plants, machinery, technology and equipment.

The synergies between the Group's entities enable it to create a value chain for the customer by offering wide range of solutions for the construction industry.

PROJECTS

AED 10 Billion

Major projects delivered
since 2003

TECH WOOD

The Group's expansion program started in 2005 with the establishment of Tech Wood, a wood joinery and interior design works division.

Tech Wood specializes in manufacturing and installation of fire-rated doors, panelling, hotel interiors, wardrobes, interior designing, kitchen cabinets, joinery works, vanity and doors for commercial and residential and special projects.

With a dedicated team of highly experienced professionals, engineers, architects and a skilled workforce, Tech Wood houses a state of the art joinery equipped with the best in industry machinery.

Tech Wood is an ISO 9001:2015, 14001:2015 and OHSAS 18001:2007, BM Trada and an IFC certified company.

OUR PEOPLE

Tech Group's foundations are built on the experience and skill of the people who work for us. We have a passionate and focused team of people who excel in everything they do.

The innovative spirit and inquisitive nature of our people has helped us build the businesses we are in.

The key to our success is accountability. We empower and support our teams to be the best they can be. We encourage them to collaborate, voice their opinions and share their ideas.

We believe in providing challenging opportunities for people to learn and grow, be clear on their responsibilities and be driven to deliver.

We truly value our people and our extended team of subcontractors and consultants.

The facility houses a double-storey main office building, large accommodation for workers, fully and semi-covered warehouses for raw material storage, and a large open yard to store wood products. The production area is sub-divided into the following sections:

- Planner Line
- Press Room
- Frame Section
- Door Line
- Veneer Line
- Carpentry
- Carcass Line
- Upholstery
- Milling Section
- Furniture Section
- Kitchen Wardrobe Section
- Paint Shop
- Packing Shop
- Maintenance Section
- Kiln Dry Room

QUALITY POLICY

Tech Wood provides reliable and efficient services to its wide-ranging clients, maintaining the highest level of quality, thus achieving total client satisfaction by implementing a fully-integrated and documented QMS as per ISO 9001:2008, making every employee fully accountable.

Quality Management System Plan

- All the activities affecting QoS are carried out under strict and controlled conditions.
- Close and continuous monitoring and analysis of quality indicators providing feedback to enable quality improvement, while giving due regard to the human factor.
- Providing updated instructions and trainings, and creating awareness among the entire staff.
- QMS is communicated, understood and implemented at all levels throughout the organization.

Products & Services

Tech Wood applies its QMS at various stages including selection of suppliers, procurement of raw material, grading of raw material before accepting at the store level, monitoring the quality standards at each level of production, packing, transportation, delivery, storing on-site, installation on-site and protection of items after installation until handed over to the client. This is strictly implemented as per the ISO 9001:2008 QMS standards. Tech Wood offers high quality of both pre and post sales services – from enquiry to signing of contract and till the completion of the works and further as and when required by the clients/ customers.

Quality Policy

Certified for QMS ISO 9001:2000, Tech Wood has deployed a complete fool-proof quality assurance and control system.

SAFETY POLICY

Certified by ISO and OHSAS, Tech Wood ensures special care for health, safety and environment (HSE) of its employees and the surroundings, and follows the key components as below:

- Planning
- Implementing and operation
- Checking and remedial action
- Management analysis and review
- Occupational health and safety policy

Health:

Tech Wood ensures proper working environment where health of each employee and

visitor is fully protected. All the measures are taken as per the OHSAS standards including daily cleaning of factory premises, offices, stores, production area, open areas and labor accommodation, and providing proper medical aid as and when required.

Safety:

Tech Wood ensures hazard/ accident-free environment for all its employees and visitors by strictly following the OHSAS standards especially at the production area, store,

accommodation, vehicle movement, maintenance and site management. All the workers are properly protected from occupational hazards as Tech Wood is well-equipped with safe machinery and tools.

Environment:

Tech Wood ensures protection of environment by properly disposing the waste from its operations on a daily basis, by cleaning premises, and by using ISO-certified and eco-friendly raw material.
